Sentex Sensing Technologies Inc. Signed MoU with Security IT Vision, Inc.

Thursday May 4, 4:25 pm ET

CLEVELAND, May 4, 2006 (PRIMEZONE) -- Sentex Sensing Technologies Inc. (Other OTC: [SENS.PK](#) - [News](#)) (<http://www.sentextech.com>), Security IT Vision Inc. of Rosemont, California and Astro Datensysteme AG, <http://www.astro.de>, of Munich / Moosinning, Germany have agreed today for the joint marketing and implementation of existing Security IT Vision / Astro biometrics technology. The agreement allows for Sentex to acquire and market exclusive technology in the biometric and security product arena.

Sentex will now move into a rapidly growing (40% per year) technology market with state of the art proven systems and software.

Through the efforts of Balmoral Financial Services (<http://www.balmoralfinancial.com>) Sentex Sensing Technologies has reached an MoU agreement with SecITV to enter into a major strategic relationship. Effective upon completion of final documentation the agreement will encompass state of the art Biometrics Security Systems delivery and services in a number of specific areas. More details are coming soon.

"Due to the hard active work of the related parties we could reach this agreement to achieve a restart of SENS.OB in the business. The inclusion of these structures within Sentex will provide a profound opportunity for Sentex to achieve dramatic growth," said Bob Kendall, Chairman of Sentex Sensing Technologies.
